MATTERHORN ALPINE CROSSING

THE PREMIUM EXPERIENCE FROM ZERMATT TO CERVINIA

When visions become reality: After years of pioneering work, the year-round connection between the renowned world mountain town of Zermatt and the picturesque village of Breuil-Cervinia in Italy was inaugurated on the 1st of July 2023. Surrounded by the breathtaking scenery of the Alps, the new cable car connection offers incomparable thrills, luxury and highest comfort. An experience in a class of its own - flying over the fascinating mountains of Italy and Switzerland, with fabulous views of the unmistakable Matterhorn.

The Matterhorn Alpine Crossing defines cable car travel in a completely new way. The Matterhorn Glacier Ride II marks the highest cable car crossing in the Alps between two countries, both of which inspire with their individual characteristics and special features. Immerse yourself in the extraordinary mountain world around the Matterhorn and discover the uniqueness at every stop along the journey.

FROM THE KNOWN, TO THE UNIQUE

The **single trip Matterhorn Alpine Crossing** with either a start in Zermatt or in Cervinia, offers travel experts a whole new range of possibilities for travel itineraries. From Cervinia, the Malpensa / Milan airport can be reached in just 2 hours, while Turin is only 1.5 hours away. The Matterhorn Alpine Crossing opens up completely new, unique possibilities to connect the two countries, Switzerland and Italy, in a unique travel route. The journey by cable car, which takes 1.5 - 2 hours, is an unforgettable experience.

ONE DAY, TWO COUNTRIES

The **return trip Matterhorn Alpine Crossing** is recommended as a day trip, which offers a wonderful experience beyond the borders of the two countries. Regardless of the geographical proximity of the destinations Zermatt and Cervinia, each of them excites with its own charm, customs and traditions. Whether you go to Zermatt for a rösti or a cheese fondue or to Italy for pasta or pizza, a day trip to the neighbouring country leaves no culinary and cultural desires unfulfilled. The travel time for the return journey is 3.5 hours in total.

TRADE INFORMATION FACTS AND FIGURES

Travelling around the Matterhorn with one part of the journey on the Italian side and the other on the Swiss, the Matterhorn Alpine Crossing represents another distinguished offer in the history of the Cervino S.p.A and the Zermatt Bergbahnen AG.

To include the Matterhorn Alpine Crossing as part of a travel route into new tours, the one-way ticket with optional start in Cervinia (Italy) or Zermatt (Switzerland) can be used. Elsewise, the return ticket offers the possibility of day trips to the destination on the other side of the Matterhorn, well even to another country. Either way, the Matterhorn Alpine Crossing will create multiple new travel options for new unique mono- and multi-country tours.

ARRIVAL IN CASE OF UNFORESEEN EVENTS

Zermatt Bergbahnen AG and Cervino S.p.A. are committed to ensuring our clients' arrival at the other destination. In case that the cable cars cannot operate due to high winds, extreme weather conditions, technical breakdowns, or further unforeseen events, we will either reimburse the ticket costs or try to provide taxi transportation to the alternative destination on the same day. With unsure weather conditions, the decision whether the Matterhorn Alpine Crossing to Cervinia or Zermatt is possible, will be communicated by 11 a.m.

SNOWXPERIENCE PLATEAU ROSA

On Testa Grigia / Plateau Rosa guests can rent skis and all the necessary clothes and equipment to try some first turns on skis, while a coach is watching and giving some useful tips. The first ski experience can be booked through Zermatters (zermatters.ch). The Matterhorn Alpine Crossing ticket includes the entry to the SnowXperience park and snow tubing activity. (Open from May to October)

TRADE INFORMATION FACTS AND FIGURES

LUGGAGE TRANSPORT

In future, luggage will be transported to offer your clients the highest comfort. Until we can announce further details, guests can carry their own bags and suitcases on the cableways.

BORDER CROSSING & CUSTOMS

Enjoy a spectacular border crossing next to the new cable car station on Testa Grigia. **Europe's highest border crossing** also offers the opportunity to stand with one foot in Italy and the other foot in Switzerland.

Testa Grigia marks an official border between Switzerland and Italy. Entry requirements for both countries are mandatory at this border crossing as well. A valid identification document may need to be presented to enter the other country. The last official customs point for obtaining a value-added tax refund stamp is in [Brig-Glis](#) for exiting Switzerland and at the customs di Aosta in [Pollein](#) for exiting Italy.

DURATION OF THE JOURNEY

The entire cable car journey from Zermatt to Cervinia takes **about 1.5 to 2 hours**. You can extend the experience with different options all along the way.
